How to Start Designing a Course!

This worksheet is made to go along with the free training: *How to Start Designing a Course!* Feel free to use it for planning purposes or for reference! If you would like to learn more, join me in the *Creative's Course Design Class* or sign up for my One-on-one services!

3 Questions to get you started:

1. What are the individual techniques or skills in your craft?
   Star your favorites.

2. Of those skills and techniques, what do you like to do?
   Choose 3-5.

3. What are you good at? *Choose your top 3 (for this exercise)*

3 Things a great course has:

1. A clear, concise, and measurable objective. *Write them for your top choices!*

2. Concrete examples and/or hands on exercises. *What will you include?*

3. Supporting Documents/References. *What can support your learners when you're not there? A tip sheet, background info, etc.*
